

BANDOKRAFT®

Heat-Sealable Banding Paper

PLASTIC-FREE SOLUTION

APPLICATION

ONE-STEP BANDING
Group, label, and brand without a second station

HEAT-SEAL CLOSURE
Seals under heat and pressure

NO SLIPPING
Holds on slippery or irregular surfaces

LINE-READY
Runs on existing machines with minimal or no modification

SUSTAINABILITY

PAPER, NOT PLASTIC
Replaces plastic straps, shrink film, and glue

ESG IMPACT
Designed for environmental performance and sustainability KPIs

HIGH FIBER RECOVERY
Over 80% of fiber can be recovered through the recycling stream

PLASTIC-FREE BUNDLING

Water-based coating

HEAT-SEAL KRAFT BAND

Seals to Itself, No Tape or Adhesive

LESS MATERIAL,
LESS COST

FASTER
BUNDLING

NO TAPE,
NO PLASTIC,
NO GLUE

ENVIRONMENTAL BRANDING

Up to 4-colors HD printing on the entire surface, inkjet printable.

BANDOKRAFT® has no standard size, as **it depends on your application.**
